With stringent fire and accessibility regulations to adhere to and different door aesthetics to consider, choosing the correct door closer can be daunting. Thoughtful door control specification brings:

- Legal compliance with Construction Products and Fire Safety regulations
- Ease of access and compliance with Accessibility requirements
- Improved functionality and aesthetics of doors
- Reduced damage to walls and doors
- Reduced building maintenance costs

Try the range of DORMA door closers in a working environment in the DORMA Showbus. Receive expert advice and training on the full range of product options.

DORMA advisors will be on hand to demonstrate the products and explain the features and benefits.
